Steel Drawer Cabinets

Our range of heavy duty drawers are made with a tough welded steel construction and come finished in a hardwearing epoxy powder finish.

The housings are painted in grey RAL7038 and the drawers are blue RAL5015. All units have a central locking mechanism with each drawer having the security of being fitted with an anti-tilt mechanism.

The drawers offer 100% extension and a capacity of 70kgs with dividers adjustable every 17mm for maximum flexibility
